Sir:

Applicants respectfully petition for reconsideration of the holding of abandonment set forth in the Notification of Abandonment mailed with respect to the above-captioned application on November 29, 2007, which alleges Applicants failed to satisfy the requirements of 35 U.S.C. § 371 and 37 C.F.R. § 1.495. In the alternative, Applicants respectfully petition to revive the above-captioned application pursuant to 37 C.F.R. § 1.137. The facts are as follows.

Applicants filed the above-captioned application on December 20, 2005 with the United States Patent and Trademark Office (USPTO) as evident from the corresponding date-stamped Receipt Card, a copy of which is attached herewith as "Exhibit A" (1 page). As

evident from Exhibit A, the above-captioned application was filed with a 2-page Declaration and Power of Attorney (See Exhibit A, item no. 8 of the Receipt Card date stamped December 20, 2005). A copy of the 2-page Declaration and Power of Attorney that was filed with the above-captioned application on December 20, 2005 is attached herewith as “Exhibit B” (2 pages).

As a result of a clerical error at the USPTO, Applicants received a “Notification of Missing Requirements Under 35 U.S.C. 371,” mailed January 31, 2007, which alleged that the application was complete except for a missing oath or declaration and the required late submission surcharge. A copy of the “Notification of Missing Requirements Under 35 U.S.C. 371” is attached herewith as “Exhibit C” (2 pages).

Applicants responded to the “Notification of Missing Requirements Under 35 U.S.C. 371” on March 13, 2007 by filing electronically a document titled “Response to Notification of Missing Requirements Under 35 U.S.C. 371,” a copy of which is attached herewith as “Exhibit D” (7 pages). Applicants’ response was timely and included a copy of the December 20, 2005 date-stamped filing Receipt Card establishing that the 2-page Declaration and Power of Attorney form had been previously filed with the USPTO on December 20, 2005 as evident from Exhibit D. Applicants, however, did not re-file another copy of the 2-page Declaration and Power of Attorney.

The USPTO issued a “Notification of Abandonment” on November 29, 2007, a copy of which is enclosed herewith as “Exhibit E” (1 page). The “Notification of Abandonment” alleges that Applicants failed to respond to the Notification of Missing Requirements mailed January 31, 2007.

Request for Reconsideration of Holding of Abandonment

Applicants respectfully request that the holding of abandonment be withdrawn for the following reasons. First, Applicants filed a complete application on December 20, 2005, which included a Declaration and Power of Attorney form as evident from Exhibits A and B. Therefore, the Notification of Missing Requirements mailed January 31, 2007 was the result of a clerical error on the part of the USPTO. For the convenience of the USPTO, Applicants file herewith another copy of the Declaration and Power of Attorney that was filed on December 20, 2005.

Second, Applicants' response to the Notification of Missing Requirements was timely filed on March 13, 2007 as evident from Exhibit D. Therefore, the Notification of Abandonment was issued due to another clerical error at the USPTO.

In view of the above facts, Applicants respectfully request that the holding of abandonment be reconsidered and withdrawn because the above-captioned application was complete at the time it was filed on December 20, 2005 and Applicants made a good faith effort to bring this fact to the attention of the USPTO when filing a response to the Notification of Missing Requirements on March 13, 2007.

Request for Revival of Application

While Applicants believe that the holding of abandonment should be withdrawn for all of the above reasons, Applicants respectfully request that if the holding of abandonment is not withdrawn, then the application be revived pursuant to 37 C.F.R. § 1.137(b).

Specifically, the entire delay in the filing of the required reply to the Notification of Missing Requirements until the filing of this grantable petition was unintentional as evident from the facts stated above.

Applicants have filed herewith a copy of the 2-page Declaration and Power of Attorney filed December 20, 2005, which should satisfactorily reply to the Notification of Missing Requirements.

Applicants do not presently file a terminal disclaimer as required by 37 C.F.R. § 1.137(d) because Applicants believe the holding of abandonment should be withdrawn for all of the reasons discussed above. However, if the holding of abandonment is not withdrawn, Applicants will file a terminal disclaimer pursuant to 37 C.F.R. § 1.137(d) at the request of the USPTO.

Applicants do not believe that any fees are required in order to process Applicants' request for reconsideration of the holding of abandonment, but should the filing of this paper necessitate a fee, the Director is hereby authorized to charge the necessary fee to Deposit Account No. 50-1281. In addition, if the holding of abandonment is not withdrawn, then the Director is hereby authorized to charge all necessary fees to process Applicants' request for revival of an unintentionally abandoned application to Deposit Account No. 50-1281.

The below-signed attorney for Applicants welcomes any questions.

Respectfully submitted,

Sir:

A Notification of Missing Requirements dated January 31, 2007 has been issued in the above-captioned application in error. The Notification indicates that the oath or declaration was missing from the initial application filing and is required, along with the appropriate surcharge.

Attached is a copy of the date-stamped receipt card, showing that the Declaration was filed on December 20, 2005 with the application. Therefore, it is believed that the Notification of Missing Requirements was issued in error and neither the Declaration or surcharge is necessary. However, a copy of the originally-filed Declaration is attached.

In view of the above, it is believed that the filing requirements under 37 U.S.C. 371 have been met and that the application be accorded the date of December 20, 2005 as both the filing and 371 completion dates

It is believed that no fee is required with the filing of this paper, however, should the filing of this paper necessitate a fee, the Director is hereby authorized to charge the necessary fee to Deposit Account No. 50-1281.
